Name of Surgeon:	Dr. Kohltfarber <input type="checkbox"/> Dr. Pedraza <input type="checkbox"/> Dr. Fitch <input type="checkbox"/> Dr. Barrett <input type="checkbox"/> Dr. Tran <input type="checkbox"/>			

*All medical procedures can contain a fragment of potential complications, including but not limited to: implant failure, infection, osteoarthritis, meniscus late injury. If such post-operative complication occurs with a surgically correctable option, Friendly Animal Hospital will provide medical care with only \$500 surgeon's fee. All other listed fees will be provided at no cost.

*Prices are suggested estimates and subject to change. Confirmation of pricing pending exam by doctor.

We will work with you and support you until your pet is healed. We are open 7 days a week, from 7AM to 9PM to help!
